

# GRANDE' BLOCK

**PARQUETRY™**

AUGUST 2023

# Grande' Block Parquetry™

## Features and Benefits

- New large format Solid Hardwood blocks: 600mm long x 120mm wide x 18mm thick
- Approximately double the size of our standard parquetry range
- Create a cleaner, contemporary feel while still embodying the aesthetics of heritage architecture
- Can be laid on existing sub-floor surfaces, including concrete slabs, old timber flooring, particle board and plywood

## Installation Requirements

It is recommended that parquetry flooring is installed by a professional as it requires specific methodology and equipment. A professional installer will also take acclimatisation into consideration and lay the timber accordingly.

## Specifications

Block Size	600 x 120 x 18mm
Blocks Per Bundle	16
Coverage Per Bundle	1.152m <sup>2</sup>
Bundles Per Pallet	50
Coverage Per Pallet	57.6m <sup>2</sup>

Supplied in full strapped bundles only

## Grade

**Standard and Better grade** – a mix of Pentarch Forestry's Classic and Australiana grades providing a combination of low level and moderate level feature boards.

## Species

**Blackbutt**

**Spotted Gum**

**Tallowwood**

**Brushbox**

Sustainably Grown. Australian Made.

Note: Variations within a timber species are normal, therefore photographs, samples and displays can only be indicative of colour and should not be used for final selection. It is normal for natural timber products to react to changes in atmospheric and environmental conditions such as humidity and temperature.
