

Premier Solid Flooring™

Why Premier Solid Flooring™?

- Updated grading system which aligns with our existing Decking, Cladding, Engineered, metallon XL™ and Overlay flooring ranges.
- Graded to Standard and Better which includes the most interesting and moderate timber characteristics and offers a minimum level of natural features suited to most design styles.
- Manufactured from Australian hardwood that has proven durability in Australian conditions.
- Pentarch Forestry Premier Solid Flooring™ is Responsible Wood Chain of Custody certified providing peace of mind that Pentarch's Forestry Flooring is sourced from sustainably managed and legal forestry.
