HARDWOOD TIMBER
SPORTS FLOORING

Sustainably Grown. Australian Made.

Why Pentarch Forestry Sports Flooring?

The timber species is a critical choice when designing a sports floor. The available species are ideally suited to multi-purpose floors ensuring the sports floor has the strength suitable to withstand the demands of any game, creating a safe space for many sports.

- Blackbutt and Spotted Gum are renowned for their strength, versatility and are naturally termite resistant.
- Suitable for use in BAL 29 areas under Australian Standard AS 3959.
- Pentarch Forestry sports flooring is Responsible Wood Chain of Custody certified providing peace of mind that our sports flooring is sourced from sustainably managed and legal forestry in Australia.

Consult with a building professional to make sure Pentarch Forestry multi-purpose flooring is specified for long term performance.
